NOTICE

Issue Date: 02/28/06

The Tennessee Emergency Communications Board will hold a seminar on interlocal agreements, recommended administrative and financial practices, technical issues and GIS mapping on **Thursday, March 30, 2006** from **10:00 a.m.** to **1:00 p.m.** (local time) in the Knox City/County Building, 400 Main Street, Knoxville, Tennessee 37901 on the main floor, small assembly room. Consistent with Board Policy No. 25 and Tenn. Code Ann. § 7-86-105(b)(6), Emergency Communications Districts that intend to participate in the reimbursement program for generators, UPS and recorders and receive, share or jointly use assets of other governmental entities must have interlocal agreements memorializing the terms of their joint operation in order to obtain the reimbursement.

Attendees should expect to pay a minimum \$5.00 fee to park in the Dwight Kessel parking garage located behind the BB&T Building on the corner of Main and State Street. Participants with disabilities requiring special accommodations may contact, Building Security at (865) 215-2246 to arrange for accommodations.
